The 2014-2015 Harvest Year Evaluation Meeting

12 - 14 September 2014
Perissia Hotel,
Ürgüp - Cappadocia

Distinguished Participants,

“The 2014-2015 harvest year evaluation meeting” shall be held in Perissia Hotel in Urgup, Cappadocia on September 12-13. The meeting shall be hosted by Anatolia Flour Industrialists’ Association (AFIA).

In this meeting, where we aim to bring together the flour and cereals sectors, the future of wheat which has a strategic importance in the world and the harvest results shall be evaluated together with Turkish Grain Board and the sector’s leading representatives.

Foreign language interpreting shall be provided for bilateral meetings with the companies supplying imported wheat.

Exhibitions, trips and social programs with the participation of the companies as well as a panel entitled “The Future of Wheat in Turkey and in the World” with the participation of the association representatives working under the Turkish Flour Industrialists’ Association (TFIA) shall be organized during the meeting.

We thank you on behalf of Anatolia Flour Industrialists’ Association (AFIA) for your interest and support.
