FUTURE OF WHEAT BEFORE HARVEST/MARDIN

In the hosting of Southeast Flour Industrialists Association and in the coordination of Flour Industrialists Federation of Turkey, during May 31 – June 2, 2013, an extended sector meeting on the subject of "future of wheat before harvest" was held in the civilizations town Mardin.

TFIF, EXTENDED ADMINISTRATIVE BODY MEETING

TFIF, extended administrative body meeting was held on June 12, 2013 in Ankara Swiss Hotel in Ankara. In the meeting, flour declaration, additives statement, yield and loss ratios, new harvest period and its effect on flour markets were considered.

We are expecting all of our members in the "EXTENDED SECTOR MEETING" to be arranged in Samsun on September 6-8.

TMO 75TH ESTABLISHMENT ANNIVERSARY

TFIF chairman Erhan OZMEN will attend "2013 sector evaluation meeting" and "picture and composition competition award ceremony" on "the prevention of

bread waste", to be held on July 19, 2013 by TMO and he will deliver a speech.

NEW ERA HAS STARTED IN BREAD

The process, which is related to new applications prepared according to Turkish Food Codex during the past two years on flour, bread production and packaging, has been completed. Food Additives Bulletin took effect on July 1, 2013 and Flour Bulletin took effect on July 2, 2013. TUSAF Chairman Erhan Ozmen, explaining that these efforts are for healthier bread production and consumption, said that they support these activities with a stern resolution.,
