Vural Kural

Dear Mr Vural !

APK-Inform Agency expresses its gratitude to You for making the presentation within frames of the twelfth international conference ***Grain Industry - 2013: processing, new markets, innovations*** , which was held on May 23-24, 2013, in Odessa, Ukraine (hotel "Bristol").

Your report was quite interesting and informative, and the information You provided during your presentation had great importance at the participants of the grain market of both Ukraine and other countries of the world.

For its part, APK-Inform Agency, as the organizers of the conference event, hopes that participation in the Grain Forum was also interesting and useful for You. We hope that the cooperation between our organizations will continue strengthening and become more productive.

Best wishes,
Oksana
